

COME AND BE PART OF ONE AMAZING TEAM!

Stroud & Tetbury District Commissioner Team

Scouting is a worldwide organisation that provides opportunities for young people to develop and enables volunteer adults to develop skills too through training and support which can enhance CV's and professional roles too. As part of a District Commissioner (DC) Team in Stroud and Tetbury, you would be focussed on supporting adults to inspire and enable them to deliver amazing programmes to young people. The role of DC in such a large district is best supported by a small team who together will develop Scouting, support Adults and help ensure young people get programmes that are full of fun and adventure. Stroud & Tetbury is a proud and progressive group of Adults who support Scouting for over 1,000 Young People in Gloucestershire. We are looking to recruit three team members with the following responsibilities:

DC Lead – responsible for leading and inspiring the district leadership team, made up of Assistant District Commissioners and Deputy District Commissioners.

Deputy DC (Adult Support) – will work with the Local Training Manager in the District to ensure that adults have access to training and support. This person will also support managers across the district to enable reviews to be undertaken and Adult awards.

Deputy DC (Programme) – will focus on supporting our amazing adults to continue to deliver exciting balanced programmes, provide support for them to lead and undertake adventurous activities and help Young People maximise their opportunity to achieve the Scouting Awards. Skills for all members of the team.

Required: Good communication skills, ability to work as a team, organise own time and tasks and some computer literacy

Desirable: Able to inspire and lead adults, provide vision and direction, and Knowledge of Scouting and the Quality Programme.

Roles are supported by the district and the wider county with training to develop skills for all adults.

INTERESTED?

If part of, or all of one of these roles interest you please do enquire. For more information or to apply, please phone or email:
